

## NEW JERSEY GENERAL ASSEMBLY

STATE HOUSE  
PO BOX 098  
TRENTON, NEW JERSEY 08625-0098  
(609) 847-3400

November 1, 2023

The Honorable Phil Murphy  
Office of the Governor  
P.O. Box 001  
Trenton, NJ 08625

Governor Murphy,

On behalf of the taxpayers and ratepayers of New Jersey, we demand a full accounting and report to the legislature disclosing the amount of money to date the state has given to Orsted, including from the state Economic Development Authority, by date, purpose and amount for each grant, loan, tax credit, or any other financial assistance.

As you noted in your response to Orsted's decision not to build Ocean Wind 1 and Ocean Wind 2 off the Jersey Shore, there is a question of credibility and competence of the company. That extends to the state.

On June 26, 2023 the state ratepayer advocate, the Division of Rate Counsel, was ignored by supporters of Orsted after warning that subsidies would result in higher "prices paid by ratepayers."

You have called into question the company's "credibility and competence," but taxpayers and ratepayers also require an answer about your credibility and competence prioritizing a multi-billion dollar foreign corporation instead of New Jersey residents.

Thank you,

DiMaio, LD23
